

# Senior Quantity Surveyor – Munster Region

We are currently seeking a Senior Quantity Surveyor for a full-time permanent position, based in Munster.

The role will entail quantity surveying on multi-million-euro projects entailing tasks such as valuations, claims, cost management, subcontract management, procurement and pricing additional works. Estimating new tenders will form part of the role from time to time. The work will be varied and you will form part of a wider commercial team.

## The Candidate:

- Must hold a BSc Degree in Quantity Surveying or similar
- Must have a minimum 2-5 years of recent practical experience in a project QS and/or civil estimating role in Ireland or the UK
- Must have Excellent MS Office skills
- Must have excellent communication skills, oral and written
- Must have an ability to perform multiple tasks at a high level of quality
- Preferably have knowledge of Contract Agreements in Ireland
- Preferably have a proven ability to prepare and price Civil tenders
- Preferably be a member of the Society of Chartered Surveyors Ireland (SCSI) or the Royal Institution of Chartered Surveyors (RICS)

## What is on Offer:

- Competitive salary for the right candidate
- Pension benefits
- Annual Bonus
- Excellent Career Progression
- Training & CPD
- Excellent location
- Opportunity to gain experience on large infrastructural projects as part of a wider project team

## Experience:

- 2 - 5 years Quantity Surveying experience in Ireland or the UK
- Experience on Civil Engineering projects (Mandatory)
- Experience in Roads or Water & Wastewater Industry (Preferred)
- Experience in RC Concrete works (Preferred)
